## NICARAGUA

**Why You're Going:** This Central American destination has been beckoning the bohemian set for years, who are drawn to the natural, eco-friendly vibes. Not typically thought of as a honeymoon destination, this all changed with the opening of Mukul Luxury Resort & Spa, which provides the perfect hideaway for free spirits who seek the finer things.

**Where You're Staying:** [Mukul Luxury Resort & Spa](#). Here couples can partake in energy readings by the spa's healer. Other activities include couples spa treatments, surfing lessons, helicopter rides to volcanoes or day trips to nearby colonial towns.
